General Comments:

1. A Public Information Meeting (PIM) will be held on June 14, 2007 from 4-7 PM at Jim R. Miller Park. This meeting will be advertised via the newspaper, Cobb County website, and roadway signs.
2. Desirable design speed is 45 mph.
3. A 2-lane limited-access roadway will be constructed as part of this project for alternate 1 and 2. Alternate 3 will be constructed as a 4-lane roadway. To improve safety and traffic operations additional lanes may be constructed at each intersection. The right-of-way to accommodate 4-lanes will be acquired as part of this project.
